Mr. Keith Vaz,
President of the All-Party Parliamentary Group (APPG)
(Yemen)

Sub.: <u>Halting Arms Sales to Saudi Arabia and UAE</u>

The House of Representatives of the Republic of Yemen followed the developments regarding the Italian government's decision to halt arms sales to Saudi Arabia and the UAE, as well as the US administration's announcement to halt arms sales to Saudi Arabia and the UAE temporarily for their commission of genocide crimes against the Yemeni people and the destruction of the infrastructure and all of Yemen's capabilities without any legal justification, in violation of international law, international humanitarian law and all international positions and norms.

The House of Representatives commends those humanitarian decisions issued by the Italian government and the American administration. It hopes that this will be a step towards stopping the aggression and lifting the blockade imposed on the Yemeni people, who suffer from unprecedented conditions in the world due to aggression and blockade.

We appreciate your continuous efforts and honorable humanitarian stances towards the Yemeni people, and we hope to strengthen those efforts in advocating for halting the arms sales to Saudi Arabia and the UAE, call for an end to the criminal aggression against the Yemeni people led by Saudi Arabia and the UAE and lift the blockade imposed on them for six years till now.
